If you are looking for a simple and essential accommodation for your holiday in contact with nature but you don't want to renounce the comfort of a small kitchen corner our wooden bungalows are the choice for you.

The wooden bungalows are small houses of 10sqm with a covered veranda with a table and chairs. Inside the house you will find modern and colorful furniture tailor made to optimize spaces and make your stay more comfortable. A bunk bed (two beds of 70x190 cm each) and a hide away double bed (140x190 cm) can hold up to 4 people. A closet and a small kitchen corner with sink, fridge and two electric cooking plates complete the furniture.
